

Byron Lee

January 21, 1957 - May 18, 2020

Byron Lee, fondly known to his family and friends as "Barracuda", was born January 21, 1957 to the loving arms of the late Sallie Lou Lee in Tampa, FL. Growing up in St. Petersburg he attended the local Pinellas County schools including North East High School and later obtained his GED.

Once upon a time Byron worked for the City of St. Petersburg, yet he is best known for his work as a handyman. He was a "jack of all trades" and over the years his family and friends learned that they could depend on him for any job or project they needed done; painting, carpentry, lawn work, etc; you name it, he could do it. Byron always said that "his word was his bond" and he did all that he could to live up to that.

Byron was also very charismatic; others enjoyed being around him. He was funny, sweet and nothing gave him greater pleasure than spending time with his grandchildren.

On May 18, 2020, the Lord called Byron "Barracuda" Lee to eternal rest. He leaves to cherish his memories:

- Children: Lisa Jones, Marqual Lee, Audria Lee, Courtney Lee and LaShawnda Lee;
- Grandchildren: Ayana Brown, Marquavia Lee, Ja'Nice Lee, Sanaa Lee-Bowman, Laila Edwards, London Garcia, Mehki Reynolds, Kevon Musgrove and Joshua Wyatt, Jr.;
- Brother: Tommie Lee, Jr. (Beatrice); and
- Sisters: Phyllis Smith (Rev. Zollie Smith, husband) and Josephine Lee (Mr. Caren C. Adams, life partner).

He also leaves a host of other loving relatives and friends.

“ It had been many years since I have seen Byron, but I have never forgotten him. We started in elementary and ended at Northeast High School. Every now and again, we would cross paths. I have fond memories of Byron during our early years. I was sadden when my sister called and shared he had passed away. Our family thoughts and prayer are with the family during this time.

“ Uncle Bryon, I still can't believe you are gone. I am so happy that my youngest baby (Paxton), along with my fiance (Patrick) and our other children had a chance to see you and hear some of your stories, you had us cracking up that night in front of Grandmas house. The last picture we shared of you making Paxton laugh. I will miss your cool ways and the way you used to say my name "What's up Ebbbbb?", you would drag that "b" out for the longest. To your children: May you find peace, comfort and understanding in Gods arms in this time of grief. I Love you Uncle Byron. Gone from us but never to be forgotten
